

I'm requesting that you do NOT shutdown the K-LOVE affiliate in Hampton Roads, VA heard on 90.7. It is a blessing to listen to contemporary Christian music. It is an independent voice, listener-sponsored station. Too much media today is controlled by few broadcasters (e.g. Sinclair). K-LOVE and independent media outlets need to continue. K-LOVE provides an alternative for me to that mindless, Godless garbage that fills up the radio dial. Do not take K-LOVE away.
